

Since 1955, the Southern Lancaster County Chamber of Commerce has been organized for the purpose of advancing the financial, industrial and civic interests of the southern part of Lancaster County. Our Chamber provides the “extra touch” of a community that cares, not provided by any other business unit or organization. Year after year we continue with the help of our members to grow stronger and more vital, expanding not only our reach, but also our services.

Our chamber is operated solely by member volunteers, and the investment of their time and input is what makes the Chamber a great organization. We would be honored to have your business or organization join us in our endeavors and we cordially invite you to do so. Together we strive to provide our communities and our members with great support, products and service.

You are welcome to come and visit our next meeting, or a mixer event. Chamber meetings are held on the second Thursday of each month (except March) at 7:30 AM at the Quarryville Library, 357 Buck Road, Quarryville, You are encouraged to visit our website for more information about our Chamber and our members.
